II. Purpose of Addendum

To determine compliance with PA 116 and applicable licensing rules.

III. Methodology

An onsite visit was conducted on July 26, 2017 while the licensee was operating the camp program. The onsite included the following: playground observation, site walk-thru, director, staff and camper interviews, a review of policies, procedures, health information, and other applicable documents.

IV. Description of Findings and Conclusions

The program utilized a wing of Zeeland Christian School the area included a centralized administrative area for camper check-in, check-out and to address camper health issues, bathrooms, meeting spaces and classrooms, and the school yard to facilitate program. The policies and procedures related to responding to emergencies, camper behavior management and supervision, and child protection were in practice.

V. Recommendation

Continued Current status of this child Day camp site and program license.
