III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

This camp is located at Camp Daivana in Manchester Township in the southeast corner of Washtenaw County. This camp site is approximately 17 miles from downtown Chelsea and within 25 minutes of Chelsea Community Hospital. The rural 226 acre camp site on Thorn Lake has three separate buildings with sleeping accommodations: Dorm 1 (90 beds), Dorm 2 (83 beds) and the Main House (94 beds). The Main House includes a working kitchen and an all-purpose room. The property also includes a separate Kitchen/Dining Hall, basketball, volleyball and tennis courts and a 10-acre swimming lake with a beach and covered pavilion containing a kitchen. The licensee utilizes the site's bathroom facilities and covered pavilion; they establish Troup unit tent sites on nature trails and land around the lake. The area meets compliance with licensing rules.

B. Program Description

Lithuanian American Scout Camp offers a one week, multigenerational program. The activities include heritage/scout academics, crafts, field games, sport play, cooperative activities, archery, riflery, swimming, canoeing and fishing. The camp also includes a progressive leadership development program. The campers are supervised by a camp health officer and adult staff with some minor staff for support. The staff are trained in proper supervision, behavior management, child protection, and program development for all age groups. Plans for emergencies, rain, and regular camp operations meet licensing rule compliance.

IV. RECOMMENDATION

I recommend issuance of a provisional license to this child residential camp Program.
