II. Purpose of Addendum

To determine compliance with PA116 and applicable licensing rules

III. Methodology

An onsite visit was conducted on July 10, 2018 while the licensee was operating the camp program. The onsite included the following, site walk thru, staff and camper interviews, a review of policies, procedure, health information, and other applicable documents.

IV. Description of Findings and Conclusions

The program utilizes many areas and buildings of the JCC campus, including indoor and outdoor/high adventure activities provided for the campers. They have a centralized area for camper check-in, check-out, area to address health issues, bathrooms, the policies and procedures related to responding to emergencies, camper behavior management and supervision, and child protection were in practice.

V. Recommendation

To continue current licensing status.
