AREAS OF NON-COMPLIANCE/ CORRECTIVE ACTION PLAN REQUIRED

Areas of non-compliance notated on this report, require a corrective action plan (CAP). Items of non-compliance requiring a written corrective action plan are noted within the report.

The written corrective action plan is due 15 days from the date this inspection report was sent and must include the following:

- How compliance with each rule will be achieved.
- Identification of who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible designee and a date.

If you fail to submit an acceptable corrective action plan, disciplinary action may result.
