RE: License #: CR620200860 / SR620200174

Dear Mr. Walter,

The Camp Licensing Unit is renewing your PROGRAM and SITE License without a licensing visit during the 2025 summer season due to your status of not operating and contingent on the findings below. A full licensing inspection will occur during your next operating season.

The following methodology is used to recommend renewal for your license:

1. Submission of PROGRAM and/or SITE Renewal application and applicable fees.
2. Acceptable rating on the bi-annual Qualified Fire Inspection.
3. Environmental Health Inspection Variance approval granted or an acceptable rating on the Environmental Health Inspection within the past year.

The findings of each inspection are listed in the table below:

Description	Date	Rating
Applications and fees submitted and complete	5/5/25	NA
Qualified Fire Inspection	8/28/25	A rating
Environmental Health Inspection	8/14/25	A rating

Please contact me with any questions. If I am not available and you need to speak to someone immediately, please contact the licensing unit at 517-284-9730.

Sincerely,

Wendy Borden
