AREAS OF NON-COMPLIANCE/CORRECTIVE ACTION PLAN

Areas of non-compliance notated on this report as violations, require a corrective action plan (CAP). Violations requiring a written corrective action plan are noted within the report. If you fail to submit an acceptable corrective action plan, disciplinary action may result. The written corrective action plan is due 15 days from the date this inspection report was sent and must include the following:

- How compliance with each rule will be achieved.
- Identification of who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible designee and a date.

Additional Comments:

127(8): CAP needed for non-documentation of trip medical treatments.

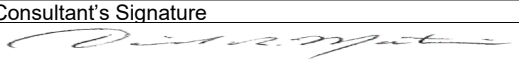

119(1): CAP needed for no standing orders present in the health facility

Consultation: Develop policy for informing the health officer of inhaler by a camper after any use.

As areas were not in compliance, a written Corrective Action Plan (CAP) is required to completed on the template provided for the areas not in compliance. This is due within 15 days or no later than August 13, 2025. Please consult your licensing consultant if you have any questions.
