AREAS OF NON-COMPLIANCE/CORRECTIVE ACTION PLAN

Areas of non-compliance notated on this report as violations, require a corrective action plan (CAP). Violations requiring a written corrective action plan are noted within the report. If you fail to submit an acceptable corrective action plan, disciplinary action may result. The written corrective action plan is due 15 days from the date this inspection report was sent and must include the following:

- How compliance with each rule will be achieved.
- Identification of who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible designee and a date.

Additional Comments:

A Corrective Action Plan (CAP) is required for those areas identified as not being in compliance. A CAP is not required for the area where the CAP was completed on site. The CAP is due within 15 days of the sending of this report or no later than July 29, 2026. Please use the CAP template attached to this email for providing your CAP. If you have any questions regarding the CAP, please contact David Martin. Please send the CAP to David Martin.

RECOMMENDATION

Based on the findings of this inspection:

Contingent upon receipt of an acceptable written Corrective Action Plan (CAP), I recommend the status of the license remains unchanged.
