III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility SD410394666

The facility is located on approximately 25 acres of land in a suburban area of Grand Rapids. The property includes church building, large wooded area, stream, pond, open fields, and pavilions. The outdoor camp area includes a large group meeting space, bathrooms, athletic fields, large swimming pond, hiking trails, target sport areas, chapel/amphitheater, caboose, and craft areas. There are train tracks that run through the camp site. The area meets compliance with licensing rules.

The camp provides care and supervision for children between the ages of five and 14 years of age during the hours of 9:30am-3pm for six days in June. The dates are June 18,19,21,25,26, and 28. Parents/guardians may register their children for anytime during that period. The activities that are provided include arts/crafts, field games, sport play, cooperative activities, spiritual development, swimming, canoeing and target sports. The campers are supervised by adult staff with some minor staff for support. The camp program only includes onsite activities with themes throughout the summer to add variety.
