III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

This day camp site is in the southeast corner of Wayne County at Grosse Ile Township Centennial Farms less than one mile from Grosse Ile's town center. The 3-acre parcel of land includes a public equestrian center, a recreation building with a designated camp office and health and wellness station, public restrooms, a picnic pavilion, a children's garden and playground, nature trails and a pond. The camp will also utilize the public pools and bathhouses at Water's Edge Country Club. Oakwood Southshore Medical Center is within four miles of this site. The area meets compliance with licensing rules.

B. Program Description

The camp provides care and supervision for children between the ages of 5 and 12 years of age. Camper sign in begins at 8:45 PM, program begins at 9:00 AM and concludes at 4:00PM Monday thru Friday. Camp activities include music, drama, crafts, outdoor games, sports, special events, nature education, and off-site swimming. The campers are supervised by adult staff with some minor staff for support. The staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain, and regular camp operations meet licensing rule compliance.

C. Rule/Statutory Violations

The camp Site and Program are in substantial compliance with applicable statutes and administrative rules.

IV. RECOMMENDATION

I recommend issuance of a provisional Site and Program license to this child day camp.
