A. Physical Description of Facility

This camp site is located at the Devos Family Center for Scouting owned and operated by the Boy Scouts of America. It sits within 33 acres of woodlands with mill creek running through the property. The day camp area currently includes two large indoor meeting spaces, a STEAM learning classroom, bathrooms, outside pavilion, greenhouse, portable archery range, and hiking trails. The facility meets compliance with licensing rules.

B. Program Description

The camp provides care and supervision for children ages of six and 13 years of age during the hours of 9am-5pm Monday thru Friday. The activities include arts/crafts, archery, campcraft, academics, field games, riflery, leadership training, and nature studies. The campers are supervised by adult staff. The staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain, and regular camp operations meet licensing rule compliance.
