III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

This day camp is located in Escanaba, MI at the Northern Lights YMCA located at Bay College. The Northern Lights YMCA has recently acquired the building and is completing renovations. The YMCA has occupancy for use in the non-construction areas. The day camp will be operating primarily outside. However, the camp will be utilizing indoor classrooms, large multipurpose rooms, bathrooms, and possibly the gymnasium. The grounds include hiking trails and large fields for games. The area meets compliance with licensing rule.

B. Program Description

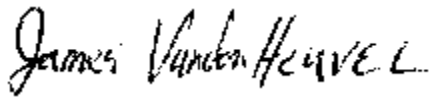

The camp provides care and supervision for children between the ages of five and fourteen during the hours of 7:30 am to 5:30pm June through August. An optional extended care is available each morning from 7:30-9:00am and in the afternoon from 4:30-5:30 pm. Campers are involved in swimming, arts and crafts, field sports, and nature activities. The staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain and regular camp operations meet licensing rule compliance.

C. Rule/Statutory Violations

The camp program and site were found to be compliant with applicable rules and statutes.

IV. RECOMMENDATION

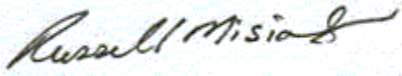

I recommend issuance of an original license to this child day camp and campsite.
