III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Site Description

Royal Family KIDS Camp #032 is located on the 681 acres of grounds of the Eagle Village Center, a year-round camping and conference facility located in Hersey in Osceola County. The facility includes: six dormitory buildings and an on-camp motel. These buildings include six large dorm rooms of various sizes and 20 motel rooms. The camp has plentiful ADA accessible bathrooms, showers, and sinks to accommodate all occupants; health centers located within two different areas of the camp; modern kitchen with a large capacity dining room; pole barn for indoor recreation; indoor climbing wall, ropes course and high initiatives. The heavily forested grounds are located within rolling hills and feature an inground MDEQ approved swimming pool, pond for canoeing and fishing, archery range, sports fields, and hiking trails. The SITE meets compliance with licensing rule.

B. Program Description

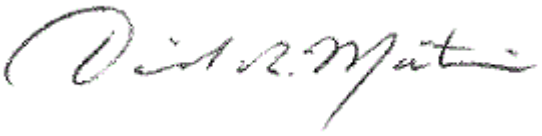

Royal Family KIDS Camp #032 provides care and supervision for girls and boys between the ages of six and 12 in a resident camp setting for one week in June. The camp has an established religious education program with a focus on children from the Midland area that are experiencing difficult home life situations. Campers are also involved in swimming, canoeing, fishing, arts and crafts, nature study, day hikes, archery, soccer, group games, high ropes course, climbing wall, high initiatives course, along with team building and peer relationship development. Staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain, and regular camp PROGRAM operations meet licensing rule compliance.

C. Rule/Statutory Violations

The camp was found compliant with applicable rules and statues.

IV. RECOMMENDATION

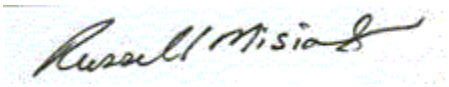

I recommend issuance of an original license to this children's residential camp PROGRAM.
