III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Site Description

The day camp is held at Salvation Army Community Center in Midland. The SITE is a church building including classroom space, a gymnasium, and bathrooms. The outside environment includes large open field, basketball court, playground, garden areas, and gaga pit. The SITE meets compliance to host the day camp program.

B. Program Description

The camp provides care and supervision for children between the ages of four and 12 during the hours of 9:00 am and 3:30 pm June through August. An optional extended care is available each morning from 7:30-9:30 am and in the afternoon from 3:30-5:30 pm. Campers are involved in swimming, arts and crafts, field sports, nature activities, drama, and archery. The camp utilizes the outdoor SITE space for more than 50% of the day. The staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain, and regular camp PROGRAM operations meet licensing rule compliance.

C. Rule/Statutory Violations

The camp SITE and PROGRAM are in substantial compliance with applicable statutes and administrative rules.

IV. RECOMMENDATION

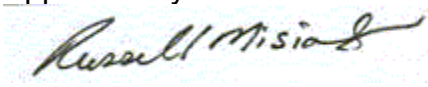

I recommend issuance of an original SITE and PROGRAM license to this children’s day camp.
