## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Site Description

The day camp is held at Grand Valley State University in Allendale. The camp SITE includes a small campus building with meeting room, bathrooms, and outdoor fenced play space for activities. The camp utilizes the university campus field house for swimming and climbing wall. The university campus offers the camp access to acreage of hiking trails, fields, and green space for outdoor program activities. The SITE meets compliance to host the day camp program.

### B. Program Description

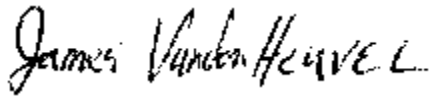

The camp provides care and supervision for children ages of five and 12 years of age during the hours of 7am-6pm Monday thru Friday. The activities include arts/crafts, academics, dance, drama, field games, music, nature studies, traveling groups, climbing/rappelling, and swimming. The Program utilizes the outdoor green space more than 50% of the time. The campers are supervised by adult staff. The staff are trained in proper supervision, behavior management, child protection, and program development for age groups. Plans for emergencies, rain, and regular PROGRAM camp operations meet licensing rule compliance.

### C. Rule/Statutory Violations

The camp SITE and PROGRAM are in substantial compliance with applicable statutes and administrative rules.

## IV. RECOMMENDATION

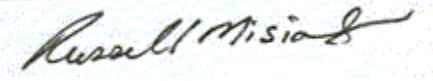

I recommend issuance of original SITE and PROGRAM licenses to this children's day camp.
