IV. Description of Findings and Conclusions

On 4/30/23, the department received a request from Grosse Pointe Yacht Club day camp director, Madeleine Kaiser requesting modification to the capacity of the camp and campsite from 50 to 75 campers. The letter reads in part the property is located on 25 acres of land, includes playgrounds, tennis courts, an open field, a pool, and clubhouse. Ms. Kaiser included details about the clubhouse size, rooms within the clubhouse, and restrooms with locker rooms.

On 5/3/23, I completed an onsite inspection at the Grosse Pointe Yacht Club. The inspection revealed the day camp operates at the Yacht Club. The indoor space, outdoor space, and bathrooms support the increase of capacity from 50 to 75 campers.

V. Recommendation

I recommend an increase of capacity from 50 to 75 campers on the camp PROGRAM and camp SITE licenses.
