IV. Description of Findings and Conclusions

On 3/11/24, the department received a written request of the capacity of the licenses. The request was written by YMCA of the Blue Water, Out of School Time program director, Victoria Collins. The request read “the proposed spaces are: The cafeteria, gym, library, multipurpose room, kitchen (staff-only access), playground, 4 classrooms, as well as the restrooms. The restrooms include: 18 toilets and 18 sinks for girls, 18 toilets and 12 sinks for boys, and 4 single-stall toilets and sinks.”.

On 6/1/24, I reviewed the Bureau of Information Tracking System (BITS). Ms. Colins is listed as the director of the program called “Camp Wanacombak” located at 1221 Garfield St. Port Huron, MI 48060 operated by the YMCA of Blue Water Area as a summer camp program location. The campsite location is Garfield Elementary School. The school building is owned by Port Huron Public Schools and is located on a 13 acre lot. An original license was issued on 7/7/22. The original license identified use of indoor classroom spaces, large multipurpose room, gymnasium, and bathrooms. The outside space is outdoor playground, sport fields, and basketball courts. The facility is suitable to accommodate the request from 150 to 160 campers.

V. Recommendation

I recommend the modification of the terms of the license from 150 to 160 campers.
