II. Purpose of Addendum

The department received a written request to modify the camp program capacity from 140 to 100 campers.

III. Methodology

10/06/2025 Contact-Document Received

10/06/2025 Licensing Record – Search

IV. Description of Findings and Conclusions

On 10/6/25, the department received an email from program administrator, Anna Gundersen. She requested a modification for the capacity of the license from the current capacity to 100 campers.

I reviewed the Bureau Information Tracking System (BITS) database for license number CR250419023/Camp Oasis. The licensing database search revealed the camper capacity for the license was 140 campers. In addition, the database revealed the camp submitted an application with $50 fee on 9/2/25.

V. Recommendation

I recommend the license be modified from 140 capacity to 100 capacity.
