IV. INVESTIGATION AND FINDINGS

ALLEGATION:

A staff member at the campsite was found to have a listed offense.

INVESTIGATION:

On 1/30/2026, the department conducted a routine search of the campsite address with the Michigan Public Sex Offender Registry (PSOR) upon submission of a renewal application. The search revealed that a current employee (E1) of the Point O' Woods Golf and Country Club had a listed offense.

On 1/30/2026, I emailed the licensee designee Laura Anderson advising her about the PSOR findings. I requested information about E1's roles and responsibilities at the campsite.

On 2/13/2026, I received an email from KE camps representative Kristin Grapes. She wrote E1 is not currently employed at the campsite facility. E1 was a member of the golf maintenance team for four months in 2025 from 7/14/2025 through 11/21/2025.

I reviewed the camp program license application (BCAL 3328-P) submitted by KE Camps Licensee Designee, Laura Andersen on 3/10/2025. In Box 34 of the application, the dates of operation of the children's day camp program listed start date: 6/24/2025 through 8/1/2025.

APPLICABLE RULE	
MCL 722.115d	**Offer of employment to person at child care organization; criminal history background check; cost.**
	(2) If a search of the department of state police's ICHAT or equivalent check on the person from the state or province of residence reveals that the person described in subsection (1) has been convicted of a listed offense, the childcare organization shall not make an offer of employment to that person or allow that person to regularly and continuously work under contract at the childcare organization. If a search of the department of state police's ICHAT reveals that a current employee has been convicted of a listed offense, the childcare organization shall not continue to employ that person. If a search of the department of state police's ICHAT or equivalent check on that person from the state or province of residence reveals that a person who regularly and continuously works under contract at the childcare organization has been convicted of a listed offense, the childcare organization shall not allow that person to regularly or continuously work under contract at the childcare organization.
ANALYSIS:	Records reveal E1 with a listed offense was employed at the location of the children's campsite during the time of operation with campers.
CONCLUSION:	**VIOLATION ESTABLISHED**

On 2/19/2026, I conducted an exit conference with Ms. Anderson and Ms. Grapes. I reviewed the findings of this report. Ms. Anderson stated they understood the findings and will be providing a written corrective action plan within the timelines.

V. RECOMMENDATION

Upon submission of an acceptable written corrective action plan, I recommend no change in licensing status.
