IV. Description of Findings and Conclusions

On 3/12/2026, the department received a letter from licensee designee, Madison Reynolds requesting a modification of the camp program license age terms. The letter read the program was incorporating a counselor in training (CIT) program with the purpose of developing leadership and responsibility training, opportunities to assist camp staff with activities and group management, supervised mentorship with experienced camp counselors, and participation in camp operations while remaining under staff supervision at all times. Ms. Reynolds wrote the CIT program is for youth aged 13-15 years old.

On 3/17/26, I reviewed the Bureau Information and Tracking System (BITS) and licensing record. The licensing record identified the current age group for the program license is listed as age six to age 11.

V. Recommendation

I recommend the program license age terms be modified from age 11 up to the age of 15 years old.
