Findings: This day campsite is located at the Helen Moore Community Center. The multipurpose recreation facility includes a large multipurpose room, instructional classrooms, and teaching kitchen areas for public and private use. The outdoor space where the proposed day camp will operate includes open areas for programming. The facility has sufficient bathrooms to accommodate the day camp capacity. The closest hospital is Henry Ford Hospital less than 5 miles away. This facility meets the applicable camp licensing rules to host a day camp operation.

B. PROGRAM DESCRIPTION

Staff Training Plan	AGE GROUP	CAPACITY	GENDER	OPERATIONAL SEASON
Approved	From: 3 To: 12	30	BOTH	SUMMER ONLY

Findings:This day camp is a community-centered program designed to nurture youth development, promote healthy living, and encourage social responsibility in a safe and supportive environment. The mission of the camp is to provide a local, engaging space where children can enhance their academic, physical, and social skills through structured, holistic programming. Core activities at the camp include academic support, arts exposure, physical activity, service learning, and the provision of nutritious meals and snacks. The program operates Monday through Friday during the summer months and is guided by trained team members including camp director(s), playleaders, and support staff. This day camp program meets applicable licensing rules.

C. RULE/STATUTORY VIOLATIONS

This children's day camp and campsite were found to be in substantial compliance with applicable statute and administrative rules.

RECOMMENDATION

I recommend issuance of original issuance of children's day camp and campsite license.
