RE: License #:	CR350420770 Clarkston High School Marching Band Camp 6836 F-41 Oscoda, MI 48750

Dear Michael Lewis

Attached is the Original Licensing Study Report for the above-mentioned camp. Due to the violations identified in the report, a written corrective action plan was submitted and approved on 8/13/2026. Therefore, I have issued an original children's residential camp license.

Please review the enclosed documentation for accuracy and contact the Camp Licensing Unit with any questions at 833-665-8116.

Sincerely,

Camp Licensing Unit

Findings: This camp is a band camp from Clarkston Community Schools. The camp operates for a multi-day residential band camp focused on music, marching band, community building, and camp experience for high school students. The camp utilizes school staff and chaperones who are trained in the topics of behavior management, emergency procedures, child protection, and proper supervision. The groups schedule includes music sectionals, recreation, and large group activities.

C. RULE/STATUTORY VIOLATIONS

This children's residential camp was found to be in violation of the following statute and administrative rules:

APPLICABLE RULE	
R 400.11127	**Camper health requirements**
	(2) A camp shall maintain, in the camp, a health history statement signed by an authorized person for each camper and minor staff person. The statement shall include all of the following information: **(b) Immunization status.**

Findings: The camp did not have immunization status listed on the health form. A written corrective action plan was provided.	
R 400.11109	**Staff.**
	(7) A camp shall maintain a personnel record, collected before initial assignment, for each staff member, except medical professionals whose employing organization subcontracts with the camp to provide medical services and that already requires clearances and maintains a personnel file containing all required documentation and that may be reviewed at the employer's site. The record shall include all of the following information: **(b) Documentation of compliance where the position occupied has experience or education requirements specified by an administrative rule.**
Findings: The camp application did not include documentation of experience / education as required on the chaperone application. A written corrective action plan was submitted.	
R 400.11123	**Health facilities**
	(3) A camp shall hold all prescription and nonprescription drugs and medications in secure locked storage unless medically contraindicated.
Findings: Chaperone medications were not in secure locked storage. A written corrective action plan was submitted.	

RECOMMENDATION

A written corrective action plan was submitted and approved; I recommend issuance of original issuance of children's residential camp license.
