RE: License #: CD630417879 and SD630417880
Auburn Hills Day Camp
3350 E. Seyburn Dr.
Auburn Hills, MI 48326

Dear Alexandria Maye-Bloom:

Attached is the Addendum to the Original Licensing Study Report for the above-mentioned facility.

Please review the enclosed documentation for accuracy and contact me with any questions. If I am not available and you need to speak to someone immediately, please contact the Camp Licensing Unit at 833-665-8116 or at MiLEAP-Camps@Michigan.gov.

Sincerely,

James Vanden Heuvel

ADDENDUM TO ORIGINAL LICENSING STUDY REPORT

I. IDENTIFYING INFORMATION

License #:	CD630417879 and SD630417880
Licensee Name:	City of Auburn Hills
Licensee Address:	1827 North Squirrel Road Auburn Hills, MI 48326
Licensee Telephone #:	248-370-9400
Administrator:	Alexandria Maye-Bloom
Name of Facility:	Auburn Hills Day Camp
Facility Address:	3350 E. Seyburn Dr. Auburn Hills, MI 48326
Facility Telephone #:	248-370-9353
Capacity:	60
Program Type:	CHILDREN'S DAY CAMP AND DAY CAMPSITE

II. Purpose of Addendum

The licensee requested a modification to the terms of the license from 40 to 60 campers.

III. Methodology

10/19/2026	Contact-Document Received
10/19/2026	Record Review-Camp Licensing File

IV. Description of Findings and Conclusions

On 10/19/2026, the department received an email from licensee designee, Alexandria Maye-Bloom, requesting the license capacity to increase from 40 to 60 campers. Ms. Maye-Bloom provided documentation of the indoor space, outdoor space, and bathrooms available at the facility on 10/13/26. The information included floor plans for the community center, a civic center park map, screenshot images of the parks system with dimensions. In addition, on 10/19/26, she provided details about the specific spaces utilized by campers within the community center for sheltering and activities. Ms. Maye-Bloom wrote "*campers have access to about 90% of the building during camp time. Seyburn A is used for lunch until 1pm and the gym is used Monday, Wednesday, and Friday 12-1 and Monday-Friday until 9:30am. Campers are able to use other available rooms such as Seyburn B, Wessen, Makers Sutdio, Fitness Studio, game room, and all restrooms."*

I reviewed the floor plan for the community center including restrooms for men's and women's. The plans identified at least 8 toilets/urinals available and 4 handwashing sinks for boys and 8 toilets and 4 handwashing sinks for girls. There were other single use bathrooms labeled as family toilet. The floor plan identified the gym with a capacity of 250 people. The multi-purpose room had a listed capacity of 250 persons. The floor plan identified the game room, arts and crafts room, fitness studio, and other meeting rooms.

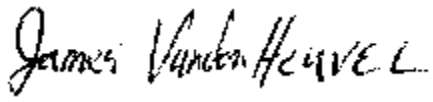

I reviewed the civic center park map. The park map read the park "offers a wealth of natural beauty including nature trails, a pond, and open grass areas". The park also includes "softball field, tennis courts, play structures, shuffleboard, a nine hole frisbee golf course and a covered pavilion". There are restroom facilities available at the park as well.

I reviewed the Bureau Information Tracking System (BITS) and the licensing file. The search revealed that the camp program license has a total camper capacity of 40, and the campsite license has a total camper capacity of 40. The original licensing study report dated 6/10/24, issued the original license for a capacity of 40. The report identified the available indoor spaces including designated classroom spaces, use of gymnasium, activity rooms, and bathrooms. The outdoor space included open fields and grass areas, hiking trails, pavilion, playground areas, tennis courts, and outdoor bathrooms.

The campsite has sufficient space to support the indoor and outdoor activities of this children's camp proposed capacity of 60 campers.

V. Recommendation

I recommend the capacity terms of this license to be modified from 40 to the approved capacity of 60.
